Late Arrivals
TT, P, MIA, P.R.*

The usual better grade of Sales Tax Token material is included in this auction as well as a number of lots of Food Stamp Change Tokens which are being released from individual collections. There is a good group of Nevada merchant tokens as well as from other western and central states. The military tokens section features a Ft. Crook, Nebraska, and a 2nd Washington Infantry PX piece. Many, many other interesting items can be found here as well. Dollar amounts in parentheses are either suggested bidding ranges or recent auction sale prices. Sometimes "MB" will be seen meaning that there is a minimum bid value.

THE CARIBBEAN

1. Jamaica. One of the United Fruit Company Banana tallies, in brass, 19.5mm square. Listed by Remick, but cannot be certain which this one is. (\$12-15).

2. (Humacao PR), The COLMADO VICTORY BAR, 1 Litro Leche, Alum, 29mm. A new find. There are about 15-18 in existence. "Colmado" means grocery store. (\$12-15).

3. HDA STA YSABEL, a companion to Lot #1 in the last sale. This is a nickel alloy 22.5mm, condition is Unc. This is a 1/2 (Almud). The 10 (Almudes) sold for \$250 last time. Eklund listed this as Costa Rica #3047 by error. This came out of a single collection.

4. Hacienda Vega Redonda, 1/2 (Almud) brass, 23mm Unc. (Vaia #376) \$5 for this common piece).

MAIL BID AND FIXED PRICE SALE RULES & TERMS

1. All bids must arrive by 9 p.m. of the date noted on the front. Lots go to the highest bidder. In the event of tie bids the lot goes to the earliest arriving bid. (Odd amount bids reduce the chance of ties.)
2. There is no minimum bid, but lots are designed to have a \$1 minimum value. Bids must be in U.S. funds. Please bid a specific dollar and cent amount. There will be no progressive bids accepted.
3. Winning bids over \$10 may be reduced to a 20% advance over the next highest bid up to a maximum reduction of 50%, where possible. Bids will not be reduced under \$10. Obviously rare items may or may not be reduced. Unrealistic bids will not be accepted.
4. Successful bidders will either be billed first, or sent winning lots with bill, if they are known customers. Postage, shipping, insurance and sales tax will be added to the bill where appropriate. California requires a 6% payment.
5. IF YOU WANT PRICES REALIZED, PLEASE ORDER WITH YOUR BIDS - 50¢ EA.
6. Lots may be returned in five days of their receipt only if there is an error in the description or material sent. Check your bids for errors and keep a record of the ones you submitted. Please pay within 15 days of receipt of your bids.

CONSIGNMENT DIRECTIONS

Consignments of exonumia are sought for future sales. My fees are as follows: items selling at \$10 and over - 20%, \$3 to 9.99 - 25%, and under \$3 - 35%. When shipping your material please also send a list of the items you are consigning and keep one for yourself.

Generally speaking the intent of a mail auction to get you a high return on your consignment. The better the material you consign the more you will make. Batches of common and circulated Sales Tax Tokens will not bring high prices nor will lots of wooden nickels and other common series that you are familiar with. If you have any questions about the efficacy of consigning a particular lot, please feel free to write and ask. No charge. Thanks.
